Dear Robert -

The Phippen Museum is hosting a special invitational exhibition and sale, *Click: Western Focus* showcasing fine art photography and we invite you to participate. This exhibition and sale is a tribute to the American West and will be on display in our Marley Gallery from **October 8th through March 5th, 2022**. Invitations are being sent exclusively to photographers who are recognized for their impressive portfolios. Each photographer is invited to send up to six pieces of art for display and sale during the show. We are looking specifically for depictions of the West that include architecture, cowboys and cowgirls, Native Americans, historic places and events, animals in the wild, landscapes, rodeos or ranch life.

In our experience, sales increase when art pieces are offered in a variety of sizes. Please refer to the attached form for more detailed information. Should you choose to participate and agree to submit a minimum of four pieces of art (or maximum of six), **please send confirmation by returning the enclosed postcard by June 5, 2022**. Subsequently, participants will receive a packet in the mail with further information and important deadlines.

We hope you can join us in presenting **Click: Western Focus**. This exhibition and sale is sure to be a major draw for serious Western art collectors, and your artistic talent and participation will be what makes this event exceptional. **For now, all we need is confirmation of your participation.** Thank you for your time and consideration. If you should have any questions, please feel free to contact me at 928-778-1385, [REDACTED]

Sincerely,

Jeannette Holverson
